

CORESOLVE LEADERSHIP TOOLKIT

OVERVIEW

Co-Resolve is an internationally-acclaimed, innovative program that equips leaders to improve teamwork and decision-making, backed by proven, highly impactful and sustainable results. The program includes unique experiential tools for dealing with the tensions that inevitably arise on the leadership path. It unlocks the wisdom inherent within teams through collaborative decision-making and constructive conflict resolution. In today's complex organisations, the skillful handling of interpersonal and team dynamics has become a vital quality among leaders. The CoResolve Program increases leaders' capacity to succeed in challenging times by offering practical tools for working with the diversity of perspectives inside an organisation.

KEY OUTCOMES

- Resolving conflicts one-on-one
- Running effective team meetings
- Interfacing with clients

WHO SHOULD ATTEND

All leaders who would like to become skilled at dealing with diversity, managing tension and increasing collaboration and buy-in.

DURATION

Three online sessions, 4 hours each or 2 full days in person.

DETAILS

Public courses are run throughout the year. In-house courses can be arranged on request, and the daily facilitation rates will apply.
